SPORTING BOARD DECISION #1

Under Article 2 – Eligibility, the following is stated : “Drivers are expected to be competing in the series on a full-season basis, taking part in all rounds with the exception of cases of force majeure accepted as such by the Sporting Board. Drivers joining a Series in the second round but continuing to compete for the remainder of the season may be granted eligibility by the Sporting Board.”

The Sporting Board has been informed that three drivers, competing in the GT World Challenge America powered by AWS, have missed rounds or will not be competing in the final 2026 round at Indianapolis, meaning they will not have completed a full season.

No reasons have been given to allow this to be considered as force majeure. Therefore, the Sporting Board decides that Tom Sargent, Alex Sedgwick and Lorcan Hanafin are no longer eligible for the SRO GT Academy and will be removed from the 2026 points. No redistribution of points will take place.

This decision is final and is not subject to appeal.

With the approval of the Sporting Board.
